

Dear Valued Patient,

I have enjoyed being your eye doctor and our clinic has taken pride in providing quality eye care here in Sunnyside for many years. I am writing to let you know we will be merging our Sunnyside eye clinic with our Yakima clinic towards the end of this month. Beginning July 1<sup>st</sup>, I will be available to see you in Yakima Monday through Friday. This will allow me to offer more flexible appointment times, including both earlier and later appointments in the day to better accommodate your schedule, and also provide you with the latest technology during your exam.

I would like to continue to be your eye doctor and I hope that you will be able to come see us at our Yakima clinic 3902 Creekside Loop Suite 110 Yakima WA 98902. Please call 509-452-6611 if you have any questions or concerns.

Thank you,  
David Moon OD
